THE AIM OF THE GAME

All of Spikey's comrades have been locked away in the dungeons of the local castle. Spikey must rescue all of his friends to complete the game.

The prison cells are all locked but the keys can be found scattered through out the castle. To find the keys you must explore its many rooms solving puzzles as you go.

Spikey has only a certain amount of energy that he can use before he becomes too tired to continue. If he loses all of his energy the game is over.

HINTS

- * Vampire bats will bite if they get too close.
- * Avoid the moose heads, they spit venom.
- * Keep away from the castle guards.
- * Talk to the villagers, they may help.
- * Lightning bolts are lethal.
