

French 12/13

ADI French 12/13 has been written for pupils in the second year of their senior education. This application conforms to five Areas of Experience within the National Curriculum (see below). It is composed of six chapters each broken down into various sub-chapters, which take several themes (Time & school timetable, Weather expressions, House & home, Clothes and finally Travel). Textual material is used throughout these chapters and reflects the themes of the chapters. Students will be able to work through this application in the confidence that they will be learning under ADI's watchful eye. He will provide them with help and advice just when they need it.
